Feedback Analysis Report 2019-20

Student's feedback Analysis:

It is observed that the students having very positive feedback for the facilities and the teaching and curriculum, they are having opinion that the college is good and enough facilities are provided related to academic.

It seems that the students are not comfortable with the size of syllabus. Hence it should be communicated to the respective body.

Teacher's feedback Analysis:

Most of the teachers of our college of engineering are positive to agree that the activities perform in academic are helpful to the students achievements and carrier.

Alumni feedback Analysis:

The alumni of our college are having very good opinion for our institute as they experienced quality education and they are very satisfied with the facilities provided during the course. The higher Authorities have keen observation over the academics and discipline. Training and placement activity is to be enhanced.

Parent's feedback Analysis:

The overall parent feedback is that the parents are satisfied by taking the admission in reputed college which has provided basic facilities up to the standards during the course. As well as the teaching skill of the teachers is very good and ICT facilities provided in the college are good. The campus is very good in terms of plantations and cleanness.
