## Functions of R & D Cell

The Research and Development Cell would provide environment wherein creation and dissemination of knowledge, innovation and technology development for societal and industrial needs would be achieved through knowledge and skills, good governance and extensive financial support.

The functions of Research and Development Cell of the college are as follows:

1. To prepare annual research plan, implement and monitor the research activities of the institute.
2. To formulate rules and regulations related to facilitate exchange of students and faculty of the institute.
3. To support in development of research proposals from the college teachers for the external funding.
4. To promote quality publications and patents of the teachers and students of the departments through incentives and prizes.
5. To monitor and maintain the integrity and ethics of the research activities of the college.
6. To build the research capacity of the faculty members and students of the college through various activities and the events related to research.
7. Take up appropriate problems of the industry for finding solutions through R&D projects assigned to faculty and students.
8. To initiate and promote MoU with industries and R&D organizations for consultancy, collaborative research, sponsored projects, industry and Institute interactions etc.
9. To arrange brainstorming sessions through talks by eminent personalities from industry, R& D organizations and institutions of repute for the better understanding of research methodology and practices currently followed.
10. To keep everyone informed about announcements by various funding agencies like DST, DAE, DRDO, ISRO, CSIR, AICTE, UGC and University etc.
11. To obtain information once in three months in the prescribed format on faculty involvement on guiding students, paper publications, research projects from external funding agencies and involving in collaborative research activity.
12. To organizing conferences, workshops, seminars, training program, Avishkar, Science day and other research oriented events.
